

OUR CAD-CUT® FELT HAS A CLASSIC AND DURABLE LOOK. THE FELT IS IDEAL FOR CREATING VINTAGE STYLE DESIGNS.

Our CAD-CUT® Felt is a high quality felt, made from 80% wool and 20% rayon, with an adhesive backer. The material comes without a carrier, and is available in several colours.

CAUTION:

Because our felt is not a woven material, it will “distress” or wear in its own unique way with time and washing. To keep the material permanently on the fabric, it should be stitched or sewn on.

AVAILABLE IN

43 cm x 25 m rolls

RECOMMENDED FABRICS

- 100% Cotton
- Poly/Cotton blend
- 100% Polyester

CUTTING NOTES

You should always test cut prior to any production run. Remember cutter settings will need to be adjusted as the blade ages. For optimal cutting and weeding, maintain a line thickness of at least 1.5 mm for lettering and logos.

APPLICATION INSTRUCTIONS

- Temperatur: 165° C - 175° C
- Zeit: 10 Sek.
- Druck: firm
- (#7 bei Hotronix®)

MULTI-COLOR DESIGNS

After preheating garment, position the first color, cover with Craft Paper, and press for 8-10 seconds. Align second color, cover with Craft Paper and add five seconds to dwell time.

ACCESSORIES RECOMMENDED

- Grip Abdeckbogen
- Antihaft Abdeckbogen
- EZ Weeder®

CARE INSTRUCTIONS

Machine wash up to 30° C using mild detergent. Do not use bleach. Dry at normal dryer settings on household machines. Do not dry clean. Can be directly ironed.

STORAGE

Store in cool, dry area. Avoid direct heat, sunlight and humidity.
