

97.305 | Kwik n Klean

TOTAL TOOLS | Application

Features

97.305 | Kwik n Klean is a high-performance degreaser for cleaning multiple surfaces without leaving any streaks. It is often used before applying self-adhesive films as this cleaning agent increases the surface tension. This powerful, all-purpose cleaning fluid has no added colour or scent. The water-based formula is non-abrasive, non-corrosive and rinses clean without white residual stains. Kwik n Klean is designed to remove all kinds of residue in one single action, including oil, dirt, wax, tectyl, light silicone, accumulated filth, ... Can be used on windows, vehicles, floors, carpets, counters, walls, furniture, plastics and all non-porous surfaces.

Application instructions

1. Spray the substance onto a cloth and rub the surface to be cleaned.
2. Wipe off with a clean dry cloth and repeat if necessary. Make sure you use a new dry cloth to clean the surface so you don't push the dirt from one place to the next.

Technical information

Substance	Clear liquid
Content	1L
Packaging	Bottle is made from recycled plastic.
Statements	Harmful if swallowed. Harmful in contact with skin. Causes skin irritation. Causes serious eye irritation. Harmful if inhaled. Contains Methylisothiazolinone. May produce an allergic reaction.
Storage area	Store in dry conditions and avoid direct sunlight and/or other heat sources. Ensure that there is a suitable ventilation system.
